RULES & PROCEDURES: USMTS rules will be enforced at each event. All drivers must draw prior to the drivers meeting which generally takes place 15 minutes before hot laps begin. Drivers failing to draw before cutoff time shall be lined up at the rear of the earliest heat race with the smallest starting field. Qualifying will typically be done through heat race passing points and "B" Mains. Heat races will be lined up by draw or group qualifying (time trials). When group qualifying is used, the top four (4) best times will be inverted for heat race starting spots. There will typically be no hot laps when group qualifying is used. Qualifying procedures may be altered on a per-event basis when USMTS officials deem necessary due to car count, track conditions, weather, etc. RACEivers and AMB transponders are mandatory and available at the USMTS trailer when you sign in for the event. For rules, visit usmts.com.

LICENSES: The cost of a USMTS national license is \$500 per year and applies to all USMTS events. Alternatively, a swing license may be purchased for \$100 and is good for one, two, three or four consecutive events on a swing. There is no requirement that a driver purchase a USMTS license but benefits enjoyed by licensed drivers include higher purses, bonuses, eligibility for points funds and more.

PROVISIONALS: Drivers with a USMTS license have first eligibility for provisional starting spots. Each driver will be eligible for two (2) provisionals during the first ten (10) events. Driver will be eligible for one (1) additional provisional after ten (10) events and then another after twenty (20) and so on. Provisionals are awarded non-qualifiers highest in series points with up to two (2) drivers added to the rear of the "A" Main. Provisional starters receive full points and money earned in the "A" Main. The promoter may elect to add provisionals to the "A" Main but those drivers do not earn additional points.

EMERGENCY PROVISIONALS: Drivers with a USMTS license and perfect attendance are eligible for up to six (6) emergency provisionals. Driver will be guaranteed tow money and anything above start money (example: If start money is \$700, tow money is \$120 and driver finishes in a position paying \$800, that driver will earn \$100 more than tow money which is \$220. Drivers using an emergency provisional start at the back of the "A" Main.

MANDATORY DECALS: Summit Racing Equipment, American Racer, RacinDirt, Fast Shafts, Mesilla Valley Transportation, Super Clean and the USMTS logo decal. Other decals may be required to earn contingency awards from those sponsors.

By filling out and submitting this form indicating my entry for the event(s) designated, I agree to abide by the rules and regulations of the USMTS and the hosting racetrack. Furthermore, I understand that there are no refunds on entry fees. Entry fees will be rain-checked for a future USMTS event.
